뷰티 블로거 응용 Happiness is the perfume :)

“햇팬츠와 미니스커트로 매끈한 다리를 보여주고 싶으신 분들”

브라이트닝+각질제거+보습효과를 모두 가지고 있는 제품입니다.
가장 마음에 드는 부분은, 천연 유래계면활성제로 피부에 자극이 거의 없고, 거품과 세정력이 뛰어나다는 것이 미온수를 적시고 발라준 뒤 2-3분간 맞사지 해주셔야 하며 그대로 시행됩니다.
왼쪽: 레그팩 후, 오른쪽: 레그팩 사용안함/판타스틱 베이비팩 뒤에 저 반질거림은?
오른쪽이 훨씬 깨끗해요. 로션, 오일 인발랐습니다! 대반질반질 윤기가 나네요 와우..
무릎 부분에 뭐라 명명할 수 없는 나. 저 불그스름한 것까지 없어졌어요. 수아비스 제품 중에 가장 마음에 드는 친구예요! 팔이나 배에도 사용가능하다고 하니, 다음도로 사용할 수 있겠죠?

Glucopon® 650 EC / Dehydol® LT 7 / Soap (with 25% Dehypon® LS 54)

Suaviss AGK Scalp Therapy Step1
(remove dead skin cells)
100ml

hypoallergenic, improvement scalp, deep cleansing

Benefits of goods

Existing scalp exfoliate treatments are not only uncomfortable due to the bubbles from their main ingredient of anionic surfactant but also cause dead skin due to the toxicity of the anionic surfactant itself. Therefore, non-ionic polysorbate 20, etc. is used to effectively remove dead skin and reduce irritation.

Special features of goods

1. Cypress water: Phytocide contained in Cypress increases skin immunity and its terpene creates a refreshing fragrance of the forest. It removes foreign substances harmful to the skin to help calm the problematic skin and improves skin immunity to help maintain healthy skin.
2. Beta-glucan: Its powerful moisturization soothes sensitive red skin, and has an anti-inflammatory effect to help with skin diseases.
3. Lavender oil: It regulates the secretion of sebum, is involved in weakening the activity of foreign substances harmful to the skin, and helps to improve and manage oily and problematic scalps.

Capacity 100ml
Selling Price KRW 58,000won

Suaviss AGK Scalp Therapy Step2
(Stimulation alleviation)
100ml

Scalp relaxing , maintaining cleanliness, moisture supply

Benefits of goods

It is necessary to return the scalp to the best condition to absorb nutrients by relieving scalp irritation. It helps irritated scalps to become healthy again using Portulaca extract mixed with natural irritant-reducing composition.

Special features of goods

1. Vitamin E derivatives : Natural vitamin E tocopheryl acetate protects skin from harmful oxygen to prevent skin damage and makes the scalp healthy and vigorous.
2. Portulaca extract : It calms the dryness and allergic reactions of the skin. It has excellent wound healing effects so is widely used as a skin disease ointment.
2. Beta-glucan: Its powerful moisturization soothes sensitive red skin, and has an anti-inflammatory effect to help with skin diseases.
4. Amino complex : Six components, arginine, alanine, tyrosine, histidine, leucine, and methionine, help to cure scalps weakened by external harmful substances and stress and give vibrancy to tired hair.
